

IANPHI Annual Meeting 2019

Evidence informed global action for trans-boundary public health challenges
Addis Ababa, 3-6 December

Concurrent session 3A

Working session on Universal Health Coverage

Moderator: **Anne Bergh**, Director for Global Health, Norwegian Institute of Public Health

hosted by

Objective:

This session will develop a better understanding for IANPHI, for WHO and for partners of how NPHIs can contribute Universal Health Coverage

Outcome: The conclusions will **feed into the IANPHI-WHO Joint Action Plan**

Questions for discussion

- 1/ What experience do NPHIs currently have in contributing to UHC? What is the role of your institution in the work for UHC?
- 2/ How do you relate to and collaborate with WHO on Advocacy?

Questions for discussion

3/ Are there examples of NPHIs working together to address UHC, within or outside of the IANPHI framework?

Questions for discussion

4/ Are there overarching functions that your NPFI deliver on that contributes to synergies between UHC the other two main agendas, namely health promotion and health protection?

5/ What are some concrete examples of activities to achieve UHC where IANPHI, WHO and partners could collaborate to support NPFI's?

Questions for discussion

- 6/ Which functions of your NPHI would you invest in to get a double or triple effect, by contributing not only to UHC, but also to health protection and/or health promotion in your country
- 7/ What role does your NPHI play in developing PH workforce ensuring quality service in the health system?
